COURSE REGISTRATION AND ENROLMENT

1. Click on **Student** in the left menu.
2. Make sure you set up the right semester and faculty – in the top right corner of the screen.
3. Select **Start of Term**.
4. Click on **Course Registration and Enrolment** in the left column.
5. Click on **Add courses by entering their codes**.

6. Choose the **faculty** in the left pull-down menu, enter the **course code**, and click on **Specify**.

7. **Tick** the chosen courses and **save changes**.
- The abbreviation of the faculty is not available: the registration/enrolment period of this faculty is not running. Check the term calendar to know when the periods of registration, enrolment and enrolment changes start (= periods in which you can register/enrol to courses).

- Entering the code, no course was found:
  - You chose the wrong faculty
  - You typed in a wrong code
  - The course is not offered in the selected term

- After saving changes, it appears that registration of some course is “not possible” and under the name of the course, one of the following announcements appears:
  - Offered to the study fields other than yours,
  - Not meeting the prerequisites,
  - You cannot enrol in the course since there are no more vacancies in it.

In this case, you need to apply for an exception for registration of the course. Please, see next page (page 10) to find out how to do it.
You don’t have to worry if this issue appears, most of exchange students experience it. Teachers are aware of this fact and they usually grant you the exception.
APPLICATION FOR THE EXCEPTION FOR REGISTRATION OF THE COURSE

1. Click on Student in the left menu.
2. Select Start of Term.
3. Click on Course Registration and Enrolment in the left column.
4. Click on Enrolment Exception Application.

5. Write and send text (= the application for exception) to the teacher. Do not forget to mention the following:
   - That you are an exchange student
   - The name of your home university and country
   - Your field of study at your home university
   - In which year of study you are
   - How long are you going to study at MU, through which program (CESP, Erasmus, ISEP, Erasmus Mundus, bilateral agreement, …)
   - If the course was written and approved in your learning agreement
   - Any relevant reasons and motivation, why you need/wish to attend the course

The teacher then decides. Either he grants you the exception and enrolls you, or not, and might write you an e-mail with explanation. In that case, you must choose another course.
It is necessary to enrol in a seminar group, in case the course is divided into seminar groups. Please note that you cannot register for a seminar group, if you have not been enrolled to the course yet!

1. Click on Student in the left menu.
2. Select Start of Term.
3. Click on Select seminar groups in the middle column.
1. Select **Registration/enrolment cancellation** in the middle column **Requesting** by the selected course.

-CANCELLATION OF REGISTRATION-
2. **Tick** the chosen course/s and click on **Cancel**.

Registration for or enrolment in the courses selected  Back
All students and staff can publish important announcements in the main section, invitations or advertisements.
Search for contact details and other information of all university students and staff in section People or in the search bar in the main menu.
You can **edit your personal details** here (e.g. telephone or contact address, in case you move).

Please note the IS might notify you (in red blinking letters) to „**check and confirm**“ your personal details, to change/enter your identification number (provided at birth in the Czech Republic), which you obviously do not have. Please **ignore** the notification. Only students from **Slovakia** might have the identification number („**rodné číslo**“), in that case, please fill it in.
You can find here the following:

➢ **Registration** and **enrolment** in courses and seminar groups (Detailed guidelines page 7)
➢ **Examination** dates, obtained **grades** (teachers enter grades in the IS)
➢ **Study materials** (e-learning) (teachers place study materials, students can upload homework)
Click on section **Timetable** on the main menu and choose **My timetable**. Make sure you set up the right semester and faculty – in the top right corner of the screen.

You can see **timetables of courses** among detailed information after clicking on course codes. Note – timetables will be **published** only at the beginning of every semester! [Term calendar by faculties](#) (detailed academic calendars of faculties)

Do not forget to enrol **seminar groups** too to see them in your timetable!
Browse faculty calendars (to see when the registration/enrolment/exam periods begin and finish)

To see lists of courses taught in English and any foreign languages, go to https://czs.muni.cz/en/student-from-abroad/international-student-guide/course-catalogue.
